

Dear Prospective Student,

We are thrilled that the Holy Spirit has guided you here!

The purpose of this information session is to help you understand the scope of this exciting program that has finally come to Virginia! St. Jerome famously said, “Ignorance of Scripture is ignorance of Christ.” Therefore, the more we know the Bible, the more we’ll know—and fall in love with—Jesus. That is what the Biblical School is for!

The Denver Catholic Biblical School program is a wildly successful Bible Study, used across the state of Colorado, with sister schools around the country, for adults from all walks of life, regardless of their prior knowledge of the Scriptures. It is meticulously designed for average, busy Catholics to guide them through the reading of the Scriptures, to enlighten their understanding of the story of salvation found there, to help them apply the Sacred text to daily life, and to strengthen their relationship with God. As you can see, this is no casual, drop-in, fly by night Bible study, but rather a very organized, thorough, life changing opportunity!

On our part, we aim to successfully administer this program through dynamic, effective, live teaching from an experienced instructor, directed small groups discussions, and coaching to learn how to pray with Scripture. In turn, we ask you to dedicate yourself to the following:

- Faithful attendance at class throughout the academic year (absences are permitted)
- Thoughtful completion of the weekly reading and homework assignments (just do your best)
- Active participation in the weekly small group discussion (optional for the 2021-2022 class)

Enclosed you will find additional information, including our Student Policies & Procedures, a calendar for the new academic year, quick answers to common questions, etc. In order to accurately prepare for class enrollment needs, we ask that you please register online as soon as possible.

Again, we are excited and encouraged that you are interested in participating in the study of God’s Word with the Biblical School and we pray that it will be as exciting and as life-giving for you as it is for us! As you can see from the short testimonials, the program is genuinely life changing. Welcome!

In the Sacred Heart of Jesus,

Dr. Nicholas Lebish
Director, Catholic Biblical School, VA
